

29.6.92.

Spoke to Fr John Farrell. Admitted to language used in a fit of anger when altar servers had misbehaved. Thought that Annette Kenny herself uses some blue language and tells some "old" jokes at times.

7. 'd John in view at all, I had to terminate appointment.

Contrite and apologetic response.

Told him he would have to negotiate with Bp Manning about any further appointment.

(Whether the girl denied. Does not know which girl. Mary would put arms around priest very simply.)

Terminate appointment 15/8. Next Sunday 5th July will be last at Cherrylands. Please do a marriage for good friends in September.

Spoke with Bp Manning.
