Subject: Moving On

Dear Luc

I was the successful applicant.

It's time now to be moving on with my life.

Some time soon we can have a chat about my laicisation process.

Yes, this is a curious thing to tell you after the Mass of the Chrism, but it was at the Mass of the Chrism in 1973 that I decided I'd apply to go to the seminary the following year. So, I'm very consistent.

With warmest wishes for our annual celebration of the Lord's suffering death and resurrection.
