

MOREE PARISH SALE OF LAND 5. Mons. Ryan, P.P. of Moree, sought permission to sell some land in parish, bought several years ago as a site for a possible secondary Catholic school and since then the parish has been spending each year thousands of dollars in Council rates. As a secondary school is now out of the question for numerous reasons the land will not be required for future Church purposes and the Parish financial committee advises the sale and thereby avoid paying rates.

DECISION It was decided that the Parish be granted permission to sell at the best advantage to the Church advertising the sale by public tender.

REV. RAY POULTON'S ORDINATION 6 Rev. Ray Poulton's Ordination to Priesthood was due towards the end of the year. No date had been fixed as yet. He has not made any request himself and he seems to be acquitting his as a deacon.

REV. JOHN FARRELL'S FUTURE 7. Rev. John Farrell's position was brought up for discussion as his twelve month's stay in the Diocese of Parramatta was drawing to a close. Opinions varied on the matter.
