Dear Father Vincent,

I acknowledge your letter of 22nd November, 1991 concerning the application of Father John Farrell for admission to the Army Reserve as a chaplain.

Father John has been on loan to our diocese from the Diocese of Armidale for a period of two years. He has given satisfactory service in the parishes of Kenthurst and Merrylands during that time. I am awaiting advice from Bishop Manning as to whether he is being made available for a further period. I suggest that consultation with Bishop Manning is more relevant to your enquiry than any information I could provide.

With kind wishes I remain,

Yours fraternally,

BISHOP BEDE HEATHER
BISHOP OF PARRAMATTA
