

12. 6. 92.

Spoke with Fr Rod Bray.

He had spoken with the parents who had brought the original complaint to Fr Dominic. They confirmed the truth of what had been said to the boys in the sacristy. Also said they would be angry if Fr John continued on at Merrylands and nothing was done about it.

Fr Bray also confirmed the obj. colour language and expression sometimes used by John. He has at times been embarrassed. Spoke to the housekeeper on some occasions in language that embarrassed her. Likewise to a religious sister,

Also that nothing further had HAPPENED.

At the same time Fr Bray wants to confirm John's good qualities - readiness to change after confrontation -

TOLD ROD I WOULD BE TERMINATING SUNN AT THE END OF JUNE - FROM MERRYLANDS. (He is taking holidays in Scotland in July).
