FAX MESSAGE.

Dear Bishop Bede,
I have faxed to your office a letter from Bishop Manning. His response to your phone call to him seems to be a misinterpretation of the matter. I am most distressed, and seek your help to clarify my situation as quickly as possible, because the withdrawal of faculties seems totally uncalled for and not in keeping with your letter of 30 June. Please help me. Bishop Manning is in MUNGINDI - phone [REDACTED]

Yours sincerely,
John Farrell.
