Dear Kevin,

Re: Proposal relating to Child Sexual Assault

Thank you for your letter of the 25th August 1988 advising me of the decision of the Bishop's Central Commission in relation to the above matter.

I have had discussions with Cardinal Clancy and with Brian Lucas in relation to this matter. We have drawn up some tentative terms of reference which we would like to present to Cardinal Clancy when he returns from Rome. Once we have his approbation I will forward them onto you for your perusal and comment.

We are very happy to help in this regard.

Yours sincerely,

Fr J Usher
Director
