Good afternoon

Wanted to send this to all and also make some brief comments following a brief chat with JU last night.

I agree with JU's comment re this letter. This is further support of JU's recollection.

It would be extraordinary if admissions, such as in the Peters' letter (or any admissions of "criminal and wicked" conduct) were made at the September meeting, that Brian would have written this letter and provide any reference a possibility of returning to ministry.

It is good Brian now has this as it also possibly highlights a slight inconsistency with recent statements about a determination to make sure Fr F never returned.

Further the letter seems to support the claim made by Mons Peters that Brian was leading the meetings with Fr F (as a member of the Special Issues Resource group) and that JU was not involved in all the meetings.

Danny

Hi Brian

It has been quite a week, I hope you're going well.

JU & I retrieved a copy of the attached letter from the Professional Standards file and wanted to make sure you had a copy of this without delay.

Look forward to seeing you next week at the Tax Working Group.

Thanks Brian

Regards
