Subject: Usher statement
Attachments: statement of Mgr John Usher - 6 July 2012 - privileged & confidential.DOCX

Importance: High

Michael

See attached few changes. In relation to paragraph 12, Mgr John suggested that the word "actual" criminal conduct be changed to "believable" criminal conduct. I suggested we retain "actual". Please let me have your thoughts. Let me know otherwise if you are comfortable with the changes.

Also, please call me re: the letter by Fr Peters – we noticed something interesting!

Regards
