**Re: Nicholas Tonti-Filippini**

I enclose for your consideration correspondence that Dr. Nicholas Tonti-Filippini sent to me recently. I would be most grateful if you could consider the matters detailed therein.

I have requested and received authorisation from Dr Tonti-Filippini to pass this information on to you. I also hope to pass it onto Mr Antony Whitlam QC as part of the review he is currently undertaking into the management of the process relating to "Fr F" and related matters.

I trust that all is well.

Yours fraternally in Christ
