

ADVICE FROM REV. FATHER WAYNE PETERS - OCTOBER, 1991

In regard to John Farrell I advise that:

1. You order him to see Professor Brazinski because:
  - a. Gravity of the matter and the danger to the Diocese.
  - b. There are still children around who were silenced at the time of the court case.
  - c. There is the matter of scandal.
  - d. There is a wide-spread knowledge of the imputation.
  - e. One opinion as to his mental and psychological health is insufficient.
2. If he refuses, order him under pain of penalty.
3. Invoke the penalty:
  - a. Little by little.
  - b. Leading to an entire suspension.
