My Lord,

I wish to thank you for making time available for me to see you when I visited the seminary on the weekend.

I very much appreciated the opportunity to discuss with you how I have benefited from the six months that have passed since I left the seminary.

Your advice and recommendations on what to do for the remaining six months have been noted, and these things I will do until it is time for me to apply to Bishop Kennedy for re-admission.

Thanking you for your assistance, My Lord,

Yours sincerely,

JOHN FARRELL.
