Most Rev. Kevin Manning,
Bishop of Armidale,
P.O. Box 93,
ARMIDALE, N.S.W., 2350.

Dear Bishop Manning,

I mentioned in my last letter that I would be in Armidale for the October Long Weekend, for the reunion of the 1971 Higher School Certificate Classes from De La Salle College Armidale (of which I was part) and St Ursula's College, Armidale. The reunion will mark 20 years since we sat for the Higher School Certificate examinations.

I wonder whether you would be free to see me about the matters you mentioned you wanted to discuss with me, and if so, is there anything I would need to bring to our meeting.

With every good wish,

Yours sincerely,

(Rev. John Farrell)
