30th March 1988

Dear Bishop Kennedy,

As requested, I contacted Dr  
Eric Seal [REDACTED] in Melbourne.

He recommended that John could  
receive extended counselling at the Hoffbauer Centre,  
93 Alma Rd, East St Kilda, Vic. [REDACTED].  
The Centre is run by a Fr Russell Morison, CSsR, who  
was highly recommended by Dr Seal.

I rang Fr Morison who said he  
could take John at any time he wished to come. There  
is no live-in accomodation at the Centre, so this  
would have to be arranged.

My contact in Melbourne is Fr  
Michael Fitzpatrick, the Director of the Ministry  
to Priests, [REDACTED]. He informed me that there  
could be a vacant chaplaincy at the Presentation  
Convent, Windsor, Vic. I believe it is a home for  
elderly sisters. This convent is apparently very  
close to the East St Kilda presbytery which is quite  
large. The Parish Priest is to go overseas some time  
this year, and they may need help at weekends.

Fr Fitzpatrick suggested that  
you make contact with Archbishop Little to discuss  
the whole matter with him.

God bless,

*Paul*
