6. 4. 99.

Attention: Pastor Frank Houston.

Dear Frank,

Waited till 5pm for
your 'phone call. Have
waited two weeks since
your return from Africa.

This matter needs to
be addressed. This week
is the dead-line, after 5
months since the matter
was first raised by the
evangelist.

John McMartin has
been approached already
by the evangelist.

Procrastination is not
the answer. but I am concerned
that time is running out.
