Notes to speak to John McMartin when I spoke to him.
21.12.99

1) Two weeks ago when John Wolfenden received my concerns. (We were asked did we have any thing stressing us) he rang me and told me I should inform Ian Woods. No names were mentioned only that I was dealing with a case concerning a high profile figure. I told him to ring you (John McMartin) did he ring you?

2) Did he (John McM) know that Brian had made 'phone contact with AHA and that AHA perception of Brian's attitude was: -

- a) He was very defensive of his father
- b) No counselling was suggested by AOG
- c) Said that his father was not in AOG at that time.

3) Did he hear Brian say he would stand his father down? How long?
(I received a 'phone call to say he had preached in Canberra on the 4th and 5th of December)

4) Where do I go from here? I told AHA the church would judge and deal with the matter fairly. Seems no one wants to touch it. Will I go to Andrews Evans?

5) I'm throwing off the temptation to feel as AHA felt that the burden of this crime is being put on me. If I take a step wrong it will be my entire fault. I need someone to debrief to. Have you any suggestions?

People who know at this point of time.
