Stephen, as per phone call, please find attached letter from former employee Jonathan Baldwin which is self explanatory.

I understand our Senior Pastor, Chris Peterson (who is away at this time) has made you aware of the possibly of allegations against the church with respect to this matter.

Mr Baldwin has asked that I respond to his letter, and as such I am forwarding it to you for guidance with respect to our Insurance position, before responding.

To date there has been no claim against the Church that I am aware of, and this matter is being disputed by Mr ALA (via Police Prosecutor) and Mr Baldwin (via his own legal counsel).

Your assistance with regard to Insurance issues on this matter would be appreciated.

Regards

Tom Lew
