Child Protection Panel Review : Analytics

Nature of incidents reviewed by the Panel

The Panel reviewed the Department's response to 214 reported incidents of child abuse, neglect and exploitation which occurred in held detention, community detention and regional processing centres between 1 January 2008 and 30 June 2015, including:

- 148 incidents which occurred in held detention which comprised:
 - 79 incidents of physical abuse/assault and intimidating behaviour
 - 37 sexual abuse/indecent assault
 - 5 incidents of neglect
 - 25 possible false reports or no offence disclosed
 - 2 incidents of public mischief
- 30 incidents which occurred in community detention which comprised:
 - 17 incidents of physical abuse/assault.
 - 9 incidents of sexual abuse (actual assault, grooming, risk of sexual assault and inappropriate behaviour)
 - 4 incidents of neglect, self-harm or threatening behaviour
- 36 incidents which occurred in Regional Processing Centres (including 32 which occurred in Nauru RPC and 4 in Manus RPC) which comprised:
 - 23 incidents of physical abuse/assault.
 - 13 incidents of sexual abuse/indecent assault

(categorisation as finally determined by the Panel)
