Dear Miss Shankleton,

Receipt is acknowledged of your letter of August 28th 1953, and it is advised that the children mentioned together with the child Eric Roberts are exempted from the provisions of the Aborigines Ordinance 1918-1953.

The exemption of these children was automatic at the birth due to the fact that in all cases each parent was either an exempted half-caste or a European, and consequently these children cannot be committed.

Yours faithfully,

R.K. McCaffery
