PRIVATE AND CONFIDENTIAL

Dear Ms Ayscough

**Re: Dr John Phillip Rolleston – Medical Practitioner
 Request for Confirmation of Registration**

The Commission is currently prosecuting a Complaint against Dr John Phillip Rolleston before the Medical Tribunal of NSW ("the Tribunal"). An inquiry is to be held with the hearing listed to commence on 6 May 2013.

The Commission requests that the Australian Health Practitioners Regulation Agency provide an evidentiary certificate under section 244 of the *Health Practitioner Regulation National Law (NSW)* ("the National Law") which confirms Dr Rolleston's registration status on and after 1 July 2010. The document is sought for the purpose of proving Dr Rolleston's registration status in the Tribunal.

The document should confirm the history of Dr Rolleston's registration, including any matter referred to in section 244(a), (d)-(f), (h) or (i) of the National Law. To the extent that the document records conditions on Dr Rolleston's registration the text of any conditions which apply or have applied, including health conditions, and any variations of conditions should be provided. The dates on which any periods of registration have commenced and expired as well as the dates during which any matter referred to in section 244(a), (d)-(f), (h) or (i) have applied should also be specified.

Please provide the certificate to the Commission by Monday 29 April 2013 so that it can be reviewed and discussed further with you if necessary.

Please contact me on (02) 9219 7519 if you have any queries or to discuss the matter.

Yours sincerely
