

Dear Dr. Marcellino, 20.02.04

I have finished my essay under a lot of stress. I had to go to police in the last few days and couldn't complete my essay properly (on the part on the sound) if you ~~can~~ consider my work under these ~~circumstances~~ as "pass", it can be left there. if not, then I would ask for an extension.

I can give you police investigator's phone number if you wish to verify this information

my mobile:

REDACTED

Yours sincerely
