Dear Dr. Marcellino,

I have finished my essay under a lot of stress. I had to go to police in the last few days and couldn't complete my essay properly (on the part on the sound) if you consider my work under these circumstances as "pass", it can be left there. if not, then I would ask for an extension.

I can give you police investigator's phone number if you wish to verify this information

my mobile: [redacted]

Yours sincerely [BZY]
