Dear Dr Calvo,

**Re: VICTOR MAKAROV**

We refer to above and your letter addressed directly to our client dated 23 September 2004 in relation to your decision to cease payment of salary commencing 3 November 2004.

Understandably our client is somewhat surprised by that decision. We would appreciate if you could provide an explanation.

In the meantime we have given our client certain advice in relation to possible options available to him.

Yours faithfully
