Subject: Persons of concern

Dear Michael

The Diocesan Council is committed to adopting a policy relating to persons of concern but struggle with the breadth and lack of clarity in the General Synod model. Cec and Murray are to bring back a draft to the DC and I have sent them the Perth policy as a framework.

Grace and peace,

+Peter

Subject: Persons of Concern

Dear Cec and Murray

Please find attached links to two policies from the Diocese of Perth which seek to cover the ground we were looking at last time.
