The Right Rev'd Ian Palmer,
 Bishop of Bathurst,
 P.O. Box 23,
 BATHURST. 2795.

Dear Bishop Ian,

Greetings from Newcastle! It has been exciting to read of your coming to the Diocese, and of your activities in these early months.

I am writing to request that my Authority to Officiate be cancelled as I have been fully retired from priestly duties since 2006. My wife and I are part of the Cathedral community and enjoy being together 'in the pews' each Sunday and participating in the activities of the Cathedral parish.

We had many happy years in the Bathurst Diocese in the parishes of Parkes, Kelso, and Mudgee. Our youngest son married a Dubbo girl and still lives in Kelso. It was great to be there for the early days of the Cursillo movement and to share in the establishment of the Licensed Lay Ministers. Although we keep indifferent health these days, we enjoy being home again in Newcastle near friends and family.

Assuring you of our prayerful support in the months ahead,

Sincere regards,

Canon Campbell Brown.
