**Subject:** Synod Committee re Professional Standards Ordinance: Documents

Dear Bishop Peter,

As requested yesterday, please find **attached** the following:

1. The final iteration of the table comparing various misconduct related ordinances; and
2. Memo with summarises some of the macro issues I have been grappling with in this area.

I would welcome any comments or feed back you may have.

I am grateful that our committee will be taking an extended break until May next year, but I also understand that I have been nominated for another committee now to review the Bishop election process!

Regards,
