Dear Assistant Bishop and Commissary,

RE: Recommendation Rev. Bruce Hoare.

\*\*\*\*\*

In the context of the protection of the public, and to better illustrate the harm occasioned by the conduct of the Respondents, Sturt, Lawrence, Duncan and Hoare, the Board unanimously resolved on 5 July, 2010, to forward to you a transcript of the oral evidence of CKH

This evidence, given on 5 July, 2012, after the determination was made, was about the impact upon CKH (and to some extent, his family) of the conduct complained about and was relevant to the recommendation made.

I hope the transcript will be available very soon so that it can be attached to this letter.

Yours in Truth and Justice,

C.A. Elliott,  
President, Professional Standards Board.
