**To** Peter Mitchell, Registrar  
**From** +Roger Herft  
**Date** Wednesday 03 October 2001  
**Subject** Allegations against Fr George Parker

Dear Peter

I received the attached today and suggest that you reply for me, starting as follows

Bishop Roger is in receipt of your letter. As Registrar of the Diocese I have been closely associated with the matter you raise with the Bishop and given that he is away for the next two weeks he has asked me to respond to some of the issues you have ~~raised~~ *mentioned*

...&c ...

As you know, it would be vital to obtain some good legal advice about how to proceed, although I do wish to include that I am concerned for him and want to assure him of my prayers.

**Bishop of Newcastle**
