INTEROFFICE MEMORANDUM

TO: PETER MITCHELL
FROM: KEITH ALLEN
SUBJECT: PARKER
DATE: 28 SEPTEMBER 2001

Thank you for the fax. I would add in the third paragraph that appointments were not kept that the Dean sent a letter concerning the matters to the Complainant.

In the next paragraph I would alter the second sentence to read

"In that interview and at the Committal hearing Fr Parker denied the allegation. On the 13th August when the trial was to start the Crown changed the nature and the timing of the allegations and the trial was adjourned again until 10th September ."

Next paragraph

In the first two lines - "the defence subpoenaed information from the Registry. This was available to both sides"

Cross out the rest of that sentence down to Crown and in the second last line

"and the Crown withdrew all charges," delete the word "and"

"The Judge discharged the jury" and then end the matter at Jury.

I think that is the best I can do in the time.

Have you had a look at the \$1.3M for the seafood people, they rang me, can you communicate with me.

Kind regards

KEITH ALLEN
