

Rushton

7 June 2007

Mr. John Murray

REDACTED

Dear John,

Thank you for your letter of June 5th regarding the interment of the ashes of the late Father Peter Ruston.

I am grateful for Fr. Roger Dyer's courtesy in requesting that you obtain my consent for this interment.

I do give my consent. I understand that the parish of Wallsend was the time of Father Rushton's best ministry and I can appreciate his request in the light of this assessment that Father Peter probably made himself.

Please ensure that Father Rushton's ashes are not scattered when they are interred.

I think it most appropriate that Father Dyer as the parish priest inter the ashes using the form of liturgy in A Prayer Book for Australia.

I am grateful for your letter of request that recognizes my Episcopal prerogatives.

Grace and peace,

**Dr. Brian Farran,
Bishop of Newcastle.**
