Dear Bishop Brian

I confirm our phone conversation today, with you and Mrs Farran driving to Taree and me in my office.

I note that we discussed the tribunal being held today at the Institution of Engineers in Parry St.

Further, that I raised with you the very alarming nature of a document which was distributed by Phillip Lloyd and Michael Elliott.

I note that there were members of the Anglican family, public and journalists in the audience.

I said then and re emphasise with you now that this document should not be distributed by the Church. It is lewd and disgusting.

All efforts should be made to recall copies of it.

I note that you are attempting to contact John Cleary to resolve the issue.

A casual observer might reach the conclusion that its publication is done so to harm the people named and it is an absolute disgrace.

It is never too late to do the right thing and I encourage you to remedy this now.

You remain in my prayers

Chris McNaughton
