My Dear Lord Bishop

re: **George Parker**

We write to confirm that the Crown filed a "No Bill" after the first day of hearing in respect of all of the 4 charges.

Of great significance in connection with the allegations was the service registers. I would ask that you give consideration to issuing further directions for the completion of the service registers. The writer wonders whether an addendum to the present registers where showing a column for Parish servers and another column for non-parish servers should be included. It would merely require the celebrant to tick the appropriate column and it may well be of assistance in the future.

The writer would wish to thank you for your consideration and care that you have shown to Fr George in the past months. If there are other issues in connection with this matter that require clarification the writer will be happy to assist.

Kind Regards

**KEITH ALLEN**
