Dear Ian

Greetings and Peace.

Further to my correspondence, I write to confirm the Diocese commitment to you in terms of the study programme for 1999 and our willingness to subsidise the rent component of \$110 per week.

It would be helpful for me to clarify that this would be available to you until 30 November 1999 and would not be available for subsequent years.

With every blessing, good wishes and prayers.

Yours sincerely
