Dear CKR

Greetings and Peace.

It was good to discuss the matter concerning Mr Ian Barrack. I have spoken with the Department of Community Services and I will be meeting with a representative from there and a police officer from that division on Thursday 27 May at 10.30 am.

It would be helpful if you could make yourself available for this discussion as it would place things in their right perspective.

I realise that this matter has brought pain and confusion for you, as well, and as I indicated in our conversation I would be happy to put you in touch with Dr REDACTED who has proved of great assistance to many clergy and others. He can be contacted directly at James Fletcher Hospital

At this stage DOCS has advised me not to inform Ian as they have not viewed the complaint or correspondence in detail.

Please be assured of our good wishes and prayers for you and the family.
Every Blessing.

Yours sincerely
