Dear^{CKR}

Greetings and Peace.

You and^{CKU} have been much in my thoughts and prayers as I continue to be frustrated by the lack of any progress in the matters that have been brought to my attention over the last few years.

In discussing with Don Saines his move to Brisbane, I requested from him documents that pertain to this matter and he has indicated to me that since the approach made on the 26 August 2003 requesting certain information and this information being produced, there has been no further connection made with him, or anyone in the College as far as he is aware.

I write to ask whether there has been any further progress in this matter and to suggest that the time may have come for a direct approach to be made to key police personnel within the NSW region who may be able to expedite this case.

Please be assured of our good wishes and prayers.

With every blessing, good wishes and prayers.

Yours sincerely

The Right Reverend Roger Herft
Bishop of Newcastle
