Dear Jean

Greetings and Peace.

re: Sexual Harassment Monitoring Committee

I write to invite you to be the Chair of the above committee, succeeding Ms Lyn Douglas. I understand from a letter I received from Lyn in August that she has already approached you about this position and that you are happy to take on this important ministry in the Diocese of Newcastle.

In a letter dated 12 June 2001 Lyn sought permission to invite Mark Addison, Margaret Carr and Wayne Sheean onto the committee and I was of the opinion at that time that she would have to submit these names to Diocesan Council for ratification. I understand that this is not the case and I have informed the Registry staff of this change in the list of committee members.

It is important that we have Mark's private address rather than his Samaritans contact details. Could you please either write or telephone my Secretary with these details?

I am interested to learn whether the Committee has decided upon its future name. I would like to circulate this information to the diocese in the next month or so, and would appreciate a comment from you in due course.

With every blessing, good wishes and prayers.

Yours sincerely

The Right Reverend Roger Herft
Bishop of Newcastle
