

Memorandum of explanation re attached transcript of interview with Bob Brandenburg re unsubstantiated allegations made against him by Bob McGlennon.

1. The enclosed transcript contains references to Mr. Viv Deboo and **REDACTE** **REDACTE** owners of Portersfield Catering.

Viv Deboo was convicted in the courts as a paedophile. He and his wife **REDACTE** ran a catering company called Portersfield Catering which was used a number of times at our campsites.

Portersfield Catering catered for the end of year function and annual general meeting for the Campsite Association, of which Bob Brandenburg is a member of Executive, two months prior to Viv Deboo's conviction as a paedophile.

This act caused much embarrassment to the Camping Association who proceeded to disbar Portersfield Catering but could not on legal grounds as **REDACTE** was an equal partner in the company and innocent of any allegations. As such the Camping Association could not disbar their membership or their firm and legal advice confirmed such.

2. Bob and Val McGlennon referred to in the transcript were the caretakers at Harrogate campsite. Bob and Val McGlennon made the allegations against Bob Brandenburg. Bob and Val McGlennon made these allegations whilst they were seeking back payment of wages against Anglicare. Anglicare disputes their claim but reached a confidential settlement with them. During negotiations they made a series of allegations against Bob Brandenburg suggesting they believed he engaged in paedophile activity though they could not substantiate this claim. This was set aside as a separate issue to negotiations. They were warned that if they could not substantiate allegations they may be open to defamation claims.
3. The David Woods referred to by Bob in the transcript was the former operations manager of Anglicare.

The answers contained in this transcript relate only to the previous three years.
