Don,

The Archbishop has given me a copy of the letter you sent to him (dated 21 March) about further action being taken in the matter of those affected by the Brandenburg matter.

I can tell you that a draft of a letter to parishes and former CEBS has been prepared and is currently with the Archbishop for comment.

The matter was discussed at the AGM of CEBS last Monday and has the full support of the CEBS State Council.

I also took the opportunity to check once again whether there was any memory at all of anything similar and the consensus seems to be that no-one is aware of any involvement anywhere other than with BB. That doesn't mean it didn't happen. It only means that none of the people present knew of any other instances.

Conrad
