Anglican Church Diocese of Sydney  
Dr Peter Jensen - Archbishop

Dear <sup>BYC</sup> \_\_\_\_\_,

Your Mother has been to see me today, and told me your story. As you can imagine, I was very distressed for you all and sorry that you have been so hurt.

I would really like to see you & hope that we can arrange for this to happen soon. You could come here to my office, or my home, or I could visit you. Please let me know what is best.

Sincerely

Peter Jensen.
