Mr David Holmesby,
Diocesan Registrar,
GPO Box 1981, CANBERRA, ACT 2601

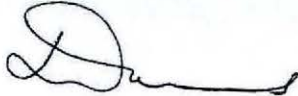

3 December 2002

Dear Sir,

Thank you for expediting this matter.

I regret that there is no option to resign my orders, something I have been willing to do for the past eight years. But if it has to be done this way, then so be it. I can only plead that it not become a matter for publicity. I am doing my best to recreate my life here in Canberra, with an appropriate job, and as a member of a local congregation, and after what I have already experienced, would like to be left in peace to get on with it, as far as possible.

Thanks again. I appreciate your courtesy.

Lou Daniels.
