Ans'd.....

Dear Bishop Newell,

I write to request a statement regarding the suitability of Mr Louis Daniels for employment as a teacher in a school.

Mr Daniels registered with this Office as a casual teacher in 1995 but did not commence work until 1997. As Mr Daniels is currently registered for and seeking relief work in our schools there is some urgency in clarifying the situation.

We have not as yet defined a process for sharing sensitive information between school sectors in the ACT. The ACT Department of Education and Training contacted our Office regarding this matter. It may be advisable to contact the independent schools through the:

Association of Independent
 Schools of the ACT
 42 Tyrell Circuit
 KALEEN ACT 2617

Yours sincerely,

Geoff Joy
Director
