Dear Sue,

Thanks for your card and best wishes.

It has actually happened now and despite it being a bit of a marathon we all survived. Now the hard bit starts, I suppose.

I was struck by your reference to 'the conspiracy of denial' and am unsure how to respond. I would understand if you felt anger + hurt at how things have unfolded. While I don't know the full story, and don't particularly want to, I would be happy to talk with you about how you feel, if you like.

Karmic wheels - I suppose they must
 be like chocolate wheels - you win
 a prize if it stops on your number.
 Or have you turned Hindu or
 something in your spiritual meanderings?

Thanks for staying in touch.

I don't think Bishops get many cards
 so I did appreciate receiving yours.

Best wishes
