

**CONFIDENTIAL FILE NOTE**

13/02/03

**IAN BARRACK**

CKR had spoken with Jean Sanders to express some concern that a person like Ian Barrack was seen by her family attending, in a leadership capacity, the Towoon Bay Scripture Union camp.

I spoke with CKR about the matter - she was not 100% sure that it was Ian who was seen but said that the similarity was striking.

As a Duty of Care concern, I spoke with the Central Coast Area Co-ordinator of Scripture Union, Mr Glen Coombes [REDACTED]. I noted that Ian was at this point of time under investigation but no formal charges had been made.

Glen looked through the records of Scripture Union and informed that that no such name appeared on their books.

He put me onto this the Director of Scripture Union who had also done a search across the board and confirmed that no such name was found.

I informed CKR about this on 13/2/03 by phone.

18/02/03

Spoke with Chris Campbell [REDACTED] - Acting Director of Scripture Union, who advised that Scripture Union have checked their records re: Towoon Bay and no such person as Ian Barrack is recorded as leader.

They will make a note for future reference.
