

REDACTED

Dear Bishop Roger,

Thank you for your letter dated 22nd August 2003. And your concern in regards to the alleged abuse on CKU and its many consequences.

I thank you for confirming in your letter to me: '... that the Diocese would be willing to contribute towards pastoral and/ or professional counselling that CKU and you may require'. Both CKU and myself have now had two sessions with a psychologist and I have enclosed documents to verify this. We would appreciate any help to meet these costs.

CKU is not covered under Medibank Private for rebate, I am as is the statement of benefit which I have submitted. The other two are copies of receipts as yet not paid for this weeks sessions.

Trusting this is satisfactory,

Yours in Christ,
CKR
