Dear Jean

Thank you for your care of CKR and I am just writing to let you know that the Rev'd Rosemary Gillham has been in contact with CKR and I think is taking good care of her.

Thank you also for sending on the correspondence that you had with the Diocesan Office prior to your going on holidays. It all looks very messy. I hope that on your return there can be a satisfactory resolution to the confused state of things.

Thank you again for your work and in particular in caring for CKR .

Warm regards,

Per
