REDACTED

Dear Jean

Greetings and Peace.

I have for acknowledgement your letter of 17 January 2003.

Given the dilemma attached to the issues raised, I have spoken with Mr Glen Coombs, the Central Coast Area Co-ordinator for Scripture Union. He has been through his records and cannot find an Ian Barack functioning in a leadership capacity. He is in the process of contacting the other Beach Mission and Camping Team Directors.

He will get back to me after a thorough checking of their records. He has also noted the name in their system should Ian Barrack seek a leadership or other role in the work of Scripture Union.

With every blessing

Yours sincerely

The Right Reverend Roger Herft
 Bishop of Newcastle
