Dear Bishop Slater

**Church of England North Coast Children's Home (CENCCH) (Photo above)**

In my letters of February 16, 2009, March 20, 2009, March 25, 2009, April 2, 2009, April 7, 2009 and April 14, 2009 I asked for us to meet to discuss the matters of duty of care of the Church of England North Coast Children's Home in Lismore in Lismore, NSW.

You haven't bothered to reply.

As you would realise by now I dearly want to talk to you about what was published in *The Australian* of March 13, 2009, where you quoted: **"...the home was run by a community group..."**

For you to be able to make that statement to a national media organisation, the public at large would believe your side of the story and not mine; because a church would not concoct such a story.

For peace of mind I would like to see the details showing a "community group" run the home.

I wait for your reply with a date for the meeting.

Regards,

**Richard "Tommy" Champion**
