Dear Ms Jackson,

Re: Richard (Tommy) Campion

I enclose herewith a cheque for \$3,200 being for the invoice forwarded and five further sessions whilst any necessary changes or alterations to the arrangements are put in place.

As I believe I have previously indicated, the offer of assistance from the Church was not open ended and I am now beyond the authorised funding discretions which the Church allows me.

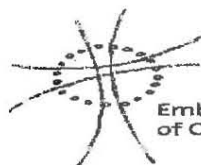

In view of the response to my last letter to you it is appropriate that correspondence is now between the solicitors acting for the Church and Mr Campion respectively.

Many thanks for your assistance and I trust you remain in good health.

Yours faithfully

Pat Comben
