

3rd March 2008

The Right Reverend Keith Slater
Bishop of the Diocese of Grafton

In response to your letter dated the 21st/2/2008
I have read through your response & have decided on a settlement of \$22,658.

Thank you for your time in reading my letters as my life has been a continuing downward spiral & this is one of the few ups & will be used appropriately in providing a roof over my head for the first time in my life.

Hoping to move on & put this behind me after 30 odd years of pain & settle this situation ASAP

Sincerely REDACTED
