Dear Sir,

Re: The Anglican Diocese of Grafton

Thankyou for your letter of 14 March, 2006.

You may have already received a reply from William Wade at Abbott Tout but in any event, we regret to advise that there is no policy available to the Diocese to deal with the claims arising from the North Coast Children's Home.

The Diocese did have a our church policy in operation from 30.11.99 to 30.11.03 (02.025.0231720) with an extension for molestation claims which was written on a claims made basis. This policy responded to the claim of CH [redacted] but the policy lapsed in 2003. A summary of the cover noted on the policy schedule follows for your information.

The Diocese is currently part of the National Anglican Insurance program (01.025.0230046) which provides general liability cover on an occurrence basis only with a Known Offenders Molestation/ Sexual Abuse exclusion. The Professional Indemnity policy has an absolute exclusion in relation to abuse claims.

Please do not hesitate to contact the undersigned with any queries.

Yours faithfully
